To promote and recognize research, the COUNCIL FOR LEARNING DISABILITIES annually presents an award for an outstanding manuscript-length paper on learning disabilities based on a doctoral dissertation completed within the last five years. The submission must not be under consideration for or the recipient of another award. The award recipient will receive a plaque and a $500 honorarium to be presented at the 2016 International Conference on Learning Disabilities. Because the paper will be considered for publication in Learning Disability Quarterly, it cannot be simultaneously submitted to or already published in another journal.

One electronic copy of the APA-style paper (max. 35 pages in length) should be submitted by the author to:
Dr. Kelli D. Cummings, CLD Research Committee Chair, kellic@umd.edu

Submissions cannot be made by a second party on behalf of an author. Each submission should include a cover letter with the following information:
- Degree granting university
- Major advisor
- Year doctoral degree conferred
- Confirmation that the manuscript has not been submitted to or published in another journal

The 35-page limit includes the title page, abstract, main document, and references. It does not include tables and figures. Submissions that exceed the page limit will not be reviewed.

The deadline for submission of papers is May 1, 2016.
Submissions time stamped after 5:00 PM Pacific on May 1 will not be reviewed. The winner will be notified by August 15, 2016.
